LSS update for 3rd Quarter, 2022
(Low Sulfur Surcharge)

Dear Customer,

Following the Low Sulphur regulation guided by IMO (International Maritime Organization), we wish to announce the Low Sulfur Surcharge applicable for service regions below during 3rd quarter of 2022.

Due to recent oil price fluctuation, we will review the bunker price on a quarter basis to reflect the change of operational cost in a timely manner.

Considering the vessel size, bunker consumption amounts and trade factors, we are applying different amount of surcharge divided into three zones:

Route	Amount (Dry)		Amount (Reefer)	
	DV20'	DV/HC40'	RF20'	RH40'
1. Vietnam – Malaysia / Hongkong / Thailand	US \$110	US \$220	US \$165	US \$330
2. Vietnam – Japan / Shanghai / Ningbo	US \$180	US \$360	US \$270	US \$540
3. Vietnam - Korea	US \$220	US \$440	US \$330	US \$660
Term: Collect or prepaid based on the Ocean freight term.				
Effective: 1st of July 2022.				

*** LSS amount to be updated on a monthly basis reflecting the change of bunker price.

Thank you.

Yours Faithfully / CK Line Co., Ltd
