The Notice of C.R.C

Dear All Concerned

As always, thank you for using CK.LINE service and we're trying to continue to provide our competitive rate for all our valued customers.

Meanwhile, all shipping lines have been facing to the recessionary market and increased lots of costs. In the meantime, we're increasingly pressured by the high costs of your exporting cargo for South -East Asia included HKG and South China.

At the result of it, we have no choice but to add it with Cost Recovery Charge as following.

< Contents >

(1) Effective of

Export(All) JUL.20th,2018 based on Departure

(2) The rate of C.R.C

US\$50 per TEU

Always by your side, CK LINE! Transport your dreams with trust and passion!!
